***Arizona Virtual Academy** is a public online charter school that uses K12, Inc. programs and curricula to meet the needs of diverse student populations through innovative uses of technology, effective teachers and instruction, and partnerships with families and community. AZVA empowers students to think critically and achieve academic success and personal growth. AZVA is devoted to making quality public education accessible for all Arizona students- regardless of geographic, financial, or demographic circumstance – and to provide online education alternatives that are as unique as the students we serve.*

All students are to receive an education appropriate to their individual capabilities, interests, and needs.

FUN AND EDUCATIONAL OPPORTUNITIES

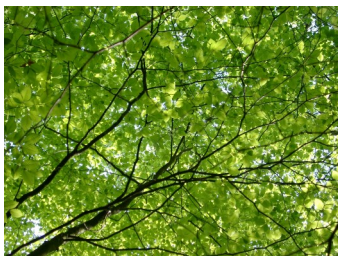

Sound Wave Activities for all ages

The Science of Sound Waves—or making a gong using a spoon and fork

<https://www.kcedventures.com/blog/the-science-of-sound-waves-an-awesome-experiment-for-kids>

How do Leaves Breathe?

This activity lets you create an environment where we can actually see the oxygen/carbon dioxide process of plants.
