Arizona Virtual Academy is a public online charter school that uses K12, Inc. programs and curricula to meet the needs of diverse student populations through innovative uses of technology, effective teachers and instruction, and partnerships with families and community. AZVA empowers students to think critically and achieve academic success and personal growth. AZVA is devoted to making quality public education accessible for all Arizona students- regardless of geographic, financial, or demographic circumstance – and to provide online education alternatives that are as unique as the students we serve.

All students are to receive an education appropriate to their individual capabilities, interests, and needs.

FUN AND EDUCATIONAL OPPORTUNITIES

Alternate Communication Activities

This month we have several ways of communication you can learn to use. Check these out and try with your family and friends.

WHAT ARE CRYPTOGRAMS?

There are many ways you could write a secret code, and indeed some very complicated schemes for encrypting information are used all of the time.

Morse Code

This site provides the code, the information, and its history. You can send someone a message using it!
