AZVA ADVANCED LEARNER PROGRAM

What is the Advanced Learner Program?

The Advanced Learner Program is evidence-based instruction and behavioral strategies that are tailored to the student's needs, which are monitored frequently to enrich the academic progress of the student.

What are the goals of ALP?

- ◆ Provide enrichment opportunities to identified students
- ◆ Encourage students to challenge themselves in an area of interest
- ◆ Provide enrichment classes to qualified students

***Arizona Virtual Academy** is a public online charter school that uses K12, Inc. programs and curricula to meet the needs of diverse student populations through innovative uses of technology, effective teachers and instruction, and partnerships with families and community. AZVA empowers students to think critically and achieve academic success and personal growth. AZVA is devoted to making quality public education accessible for all Arizona students- regardless of geographic, financial, or demographic circumstance – and to provide online education alternatives that are as unique as the students we serve.*

All students are to receive an education appropriate to their individual capabilities, interests, and needs.

FUN AND EDUCATIONAL OPPORTUNITIES

Learn About Thaumatrope—An introduction to Animation

This is a great site to learn about Thaumatrope, why they work, and how to make one for yourself!

<http://courses.ncssm.edu/gallery/collections/toys/html/exhibit06.htm>

After you read about them, this video will show you how you can make one for yourself. (This is a short video)
