***Arizona Virtual Academy** is a public online charter school that uses K12, Inc. programs and curricula to meet the needs of diverse student populations through innovative uses of technology, effective teachers and instruction, and partnerships with families and community. AZVA empowers students to think critically and achieve academic success and personal growth. AZVA is devoted to making quality public education accessible for all Arizona students- regardless of geographic, financial, or demographic circumstance – and to provide online education alternatives that are as unique as the students we serve.*

All students are to receive an education appropriate to their individual capabilities, interests, and needs.

### FUN AND EDUCATIONAL OPPORTUNITIES

*Last month, we did activities with light. We see colors in light and light affects how we see colors and designs. Here are two websites to both understand a little more about both, and projects to be creative!*

**This first website gets your brain working and opening up your creativity.**

**<https://www.idtech.com/blog/5-mini-design-exercises-to-get-the-creative-juices-flowing/>**

**This website provides for some fun graphic art design projects and games. These include create your own business card or color challenge.**
