***Arizona Virtual Academy** is a public online charter school that uses K12, Inc. programs and curricula to meet the needs of diverse student populations through innovative uses of technology, effective teachers and instruction, and partnerships with families and community. AZVA empowers students to think critically and achieve academic success and personal growth. AZVA is devoted to making quality public education accessible for all Arizona students- regardless of geographic, financial, or demographic circumstance – and to provide online education alternatives that are as unique as the students we serve.*

All students are to receive an education appropriate to their individual capabilities, interests, and needs.

FUN AND EDUCATIONAL OPPORTUNITIES

What do you know about light and how it affects you?

Optics for Kids

This fun and interesting website on Optics provides activities for all ages. This includes optical illusions, and some of the history of Optics. (Think about why kaleidoscopes work)

<http://www.optics4kids.org/home/content/classroom-activities/easy/>

Talking about kaleidoscopes, here is an activity to make your own kaleidoscope.
